ADDITIONAL PROGRAMS 2006

Sabre TTRR is proud to introduce the latest course to be developed for Law Enforcement Professionals, and EMT Personnel.

The **P.E.A.C.E.** syllabus.

The **P.E.A.C.E.** syllabus is a complete, and highly effective cognitive based training package. Written by Dr. H. Reid Kimbrough, Ph.D., MS., and supported by the *Sabre TTRR Active Defense* syllabus. The **P.E.A.C.E.** program offers a never before seen pro- active Law Enforcement syllabus, specifically aimed at *Stress Management* & profiling *Dangerous Offenders*.

This course currently sits in the *Library of Congress*, and is trademarked and copyrighted. Each segment is given in lecture based format, and held over a two day period. Student note manuals are provided, and certificates awarded on completion of the course. These segments have been designed for *Pro - Active Officers*, as well as *Management*, and *Senior Ranks*. The program syllabus is available in the following segments :

CRIMINAL PERSONALITIES - UNDERSTANDING THEIR ACT
