He is a graduate from *Firearms Instructor School* conducted by the F.B.I. sponsored through L.E.T.S. course # August 1995. He is qualified to *Instruct* in all areas. In November of 2001 he taught *Firearms* and *Advanced* vehicle assaults to members of the *Violent Crimes Task Force*, made up from FBI and local Police Agencies. This was held at the FBI National Academy, Quantico. He was as a *Guest Instructor* through the FBI Ohio field office. While there he taught Members of the FBI F.T.U. elements of the **C.A.R.** firearms system.

He is also an N.R.A. (U.K.) *Certified Range Officer*, and a L.E.S.A.T. accredited *Expert / Trainer*. He has been featured in firearms journals in Europe in relation to *Advanced Firearms* training. He has featured on *Channel 5 Television*, and *Local Radio* in Tennessee, Idaho, Texas, Arkansas, and South Carolina, in relation to self defense and security training for Law Enforcement, and special groups. He has been published by the *Journal of Law Enforcement*, (1998) and the *Police Marksman Magazine* in (January 2001) *Guns and Ammo* for Law Enforcement in (October 2002) and in SWAT Magazines (August 2005, July 2007, Feb / Sept 2008, Feb 2009)

4.

He has written, trademarked, and copyrighted numerous *Originally Designed* programs for *Law Enforcement* training. Most of which have been submitted by *Host Agencies* as P.O.S.T. certified training courses. Elements of these courses (*Defensive tactics in relation to firearms*) have been taught by Instructors from the TN. State Law Enforcement training Academy.

The **C.A.R.** system is, or has been, taught at the Connecticut State Academy, Arkansas training Academy, the North Texas University Police Academy, and the Santa Rosa Police Academy, in CA. **C.A.R.** has been the firearms training for the Department of Defense Police Academy, in MD. There are now too many *Agencies* to list in this resume.

He has taught at the TTPOA in Houston TX, MN. Tactical Association, and MSTOA in Idaho Falls, ID. He has given classes of instruction in S.W.A.T. to the T.H.P. Tactical Firearms Unit, Members of the TN. Drugs Task Force, and currently trains over 50 separate Police and Sheriff's Departments in respect of numerous training topics contained within the 'Active Defense' Law Enforcement program.

He was contracted to Instruct at U.T. Knoxville, TN. commencing 1998 in relation to Police Officer *Survival* and *Firearms* training. These courses were offered as part of the L.E.S.A.T. training program, and again in 1999 due to demand. In 2000 he taught at the TTPOA conference in Houston, & at the Mountain States Tactical Officers conference.

In May of 2000, he trained the Heads (*elect*) of the Ministry of Counter Terrorism, National Police Force, Riot Control, and Technical Support for Turkey, This training took place in Dallas TX through the DOJ.

Numerous Police Departments in Texas, Arkansas, Tennessee, and South Carolina, have adopted the training systems developed as part of the *Active - Defense* syllabus. In 2001 the *Winnipeg Police Academy* Canada, Officially adopted the **C.A.R.** as the basic shooting standard for the entire *Province of Manitoba*. Endorsements and comments are also available from Peel Regional Academy, in the Province of Ontario, Canada, & RCMP ERT from Ottawa, Canada.

5.

He has conducted training sessions for The *USMC* based at Paris Island, and *USMC* from the Navconbrig in Charleston S.C. concentrating on the **C.A.R.** 'Active-Defense' system. (*liaison Gunnery Sgt. Bill Warren USMC ret.*) During March of 2001 he taught at the *British Army* special operations unit 'Longmore' in the UK. There he trained *elite units* of the Army and R.U.C. E4B. in the C.A.R. system. This was for *small arms* and *shotguns*.

He was invited as a *Guest Instructor* at the S.O.T.A. 2003 S.W.A.T. Conference. Teaching elements of the C.A.R. for anti-ambush vehicle drills, and advanced firearms training for S.W.A.T. The 2003 conference was held in MN. In 2003 he attended the Glock factory site where he demonstrated the **C.A.R.** system to the head of Glock training in the USA. A *High Speed* DVD is available to demonstrate the **C.A.R.** shooting system.

During October of 2005 Paul was the subject of a documentary filmed by CBS *EYE TWO* for A&E with regard to SWAT and how *Operators* are trained. This documentary was aired in July of 2006 in the USA. In 2007 he was a *Guest Instructor* at the MTOA, in MI, teaching Explosive entry. He was awarded numerous additional training contracts for 2008.

As the Chief Instructor for 4 years at the NCLETTTC in West Virginia he has worked on *Training Projects* in the following areas :

- Explosive entry for S.W.A.T. / Advanced Sniper / Trainer skills.
- Waterborne Environment Training.
- High Risk Escort.

Military Instructors have began teaching the **C.A.R.** firearms system to *Active Military Operators* posted overseas, and in various *hot* locations. Paul is currently scheduled to train additional *Force Protection Units* overseas in 2009. During April of 2007 at Ft. Irwin, CA. he trained and prepared various US Cavalry Units for PSD duties in Iraq.

2008 was a busy year for Paul who trained all the Florida DOC K-9 Units. He was also published in *Kontrolli Police* magazine in Finland. Paul is to be published again an early addition of a SWAT Magazine printed by Harris Publications.

6.

In 2008 he established a training contract with Kellogg Community College, MI. designing and teaching Close Protection Courses. These now have 2 CEU credits for each course. Further training is being scheduled for 2009.

During 2008 he trained the entire Miami Police Department SWAT Team in explosive entry techniques and elements of the **C.A.R.** shooting system.

Paul also trained private Security Teams from Europe, and today through other Instructors the **C.A.R.** shooting system is being taught to Private Security Teams in Iraq.

For 2009 he continues to operate internationally, and from his home base in TN. He is currently preparing *Close Protection Operators* for specialized tours of duty overseas. *details are restricted due to contractual agreements.*
