

1.

## EDGED WEAPONS

This is a *Hands On* and extremely intense course. The program is restricted to *Law Enforcement* and *Protection Specialists* only. This program has been designed to progress beyond any other course previously offered in *Edged Weapons Defensive Strategies*. This course offers **Survivability**, and instructs *Students* in developing *Active Defense applications* of edged weapon combat skills. In order to learn *defense*, you must understand the art of *offense*. Sabre Tactical Instructors are skilled Martial Artists with 3 dan +

*The syllabus includes ( see lesson Plan )*

- ◇ Counter measures engagements.
- ◇ Hostile attackers.
- ◇ Off duty carry, and duty knives.
- ◇ Retention of duty firearms with duty carry knives.
- ◇ Reaction improvement.
- ◇ Tactical combat movements.
- ◇ Defensive counter measures.
- ◇ Self and Victim First Aid.

This course instructs *Students* in edged weapon proficiency. By increasing knowledge utilizing practical hands on training, undoubtedly increases understanding. This course is a **must** for any *Officer*, or *Specialist*, who wishes to *Survive* an *Edged Weapon* confrontation.

- ◇ This is a 16 hour, two day training course.
- ◇ Students should wear Duty Uniform if applicable.
- ◇ Protective gloves advisable, but can be provided.
